campus expansion

We now have THREE massage school campuses in Illinois! The Chicago campus continues to thrive at 17 N. State St., in downtown Chicago. Due to growth, the Crystal Lake campus moved from its former location at

the McHenry County Community College Union Center to a brand new location 2 miles away at 241 Commerce Drive. And now we have a southwest suburban campus in Woodridge, IL at 1051 Internationale

Parkway. Continuing Education classes will be offered at each location for your convenience and we continue to enroll students for classes beginning in October. Come check it out!
